

PIT HOPPERS

Introducing the Koehl Bros. Pit Hoppers, an in-ground receiving system. Koehl Pits are constructed to the highest standards and available in a variety of sizes (75 to 1700 bu). New construction or retrofit, our quick, easy installation delivers increased holding capacity and traffic flow efficiency. Reduce labor costs too! Choose from a number of unload options to best optimize your application. Need custom fabrication, no problem! Choose from our standard line or an option customized to your facility.

Holding Capacity	Tube Screw	Box Paddle Conveyor	Single Unload	Dual Unload
75 Bu.	X	X	X	X
250 Bu.	X	X	X	X
500 Bu.	X	X	X	X
650 Bu.	X	X	X	X
1000 Bu.		X	X	X

* Custom models available upon request
 ** Standard or custom drive options available to suit capacities from 1,500-20,000 bph
